Imports Unlimited Awarded Prestigious Certificate

The Women's Business Enterprise National Council (www.wbenc.org) recently awarded Eirini Kalafatides, president of Imports Unlimited (www.wholesaledoormats.com), the Women's Business Enterprise Certification.

Founded in 1997, WBENC is the nation's leading advocate of women-owned businesses as suppliers to America's corporations. The council offers programs and policies designed to expand opportunities for women business owners.

"We're honored to receive this prestigious certification that advocates and recognizes women-owned businesses," says Eirini Kalafatides, president of Imports Unlimited. "It enhances our company's visibility and allows us to showcase our beautiful, all-natural coir and recycled rubber doormats to potential new customers."
