## Flower of the Lily Underfoot

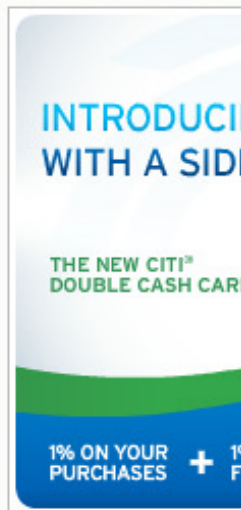

The options for doormats using a fleur-de-lis design seem endless. The simplicity of [this doormat](#) (by Entryways), with a single fleur-de-lis image and black border on tan coir, can ... [See More](#)

## Go With Zig-Zag

**This doormat** mixes two trends - chevron pattern and ombre coloring, in a green hue that could fit with Christmas decor or a springtime entryway update. It's by Entryways, whose doormats are available through retailers such as Hayneedle.com, Wayfair.com, The Home Depot, Wal-Mart and Amazon.com.

## Nautical Style

This **rope doormat** doesn't go overboard on a nautical theme. The twisted coir ropes can withstand dirt and bring seaside flair to your front, back or side porch.
